Frank Hand

GACarver, Jr.

1. Attached is a note to Bob Pursley transmitting a copy of our twenty-nine questions response. Would you please give it to him on my behalf.

2. Per our conversation, copies have already been sent to Generals Wheeler and Carroll. I have talked to Carroll over the phone and he agrees to my passing this copy for ISA via Colonel Pursley. In fact, he thought this a splendid solution to the problem.
